

The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, log into your account at <u>www.aseahealth.org</u> or call 1.866.553.8206. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms see the Glossary. You can view the Glossary in your Plan booklet, or request a copy by calling 1.866.553.8206.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$5,000/individual or \$10,000/family	Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. Some <u>preventive care</u> and primary care services are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	The Plan pays 100% of covered services after you meet the <u>deductible</u> .	The deductible is the most you could pay in a benefit year for covered services.
What is not included in the <u>out-of-pocket limit</u> ?	The plan pays 100% of covered services after you meet the deductible.	
Will you pay less if you use a <u>network provider</u> ?	Yes. Medical network providers in the Municipality of Anchorage are: Alaska Regional Hospital, Surgery Center of Anchorage, ACENT Ear Nose & Throat, Alpine Surgery Center, Geneva Woods Birthing Center, Alaska Surgery Center, Chugach Physical Therapy, Alaska Fracture & Orthopedic, Ascension	This <u>plan</u> uses provider <u>networks</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.

	Physical Therapy and Alaska Hand Rehabilitation. In the Mat-Su Borough: Mat-Su Regional Medical Center. For all other areas, the Aetna PPO Network. For a list of participating providers, see www.aetna.com. For a list of participating pharmacy providers, see www.caremark.com.	
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No	You can see the specialist you choose without permission from this plan.

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
