

ASEA/AFSCME Local 52
Health Benefits Trust

Considering Surgery?

You deserve the best.

Did you know,
With Surgery Care you pay

\$0

You read that right—
Surgery costs are covered 100%*

High-quality Care

Our stringent standards for providers and doctors ensure you get the best care specific to your procedure.

Help Every Step of the Way

Your dedicated Care Coordinator provides concierge support that takes the headaches out of approvals, scheduling and paperwork.

Is there really no cost to me?

YES! Surgery Care is available to members enrolled in Plans A, B, and D*. You'll never receive a surprise bill!

*If you have Plan C, call the ASEA Health Trust Plan Administrator for eligibility and coordination of benefits.

Your health is what matters most –

That's why ASEA/AFSCME Local 52 Health Benefits Trust offers you and your family access to top-quality surgery through Surgery Care. Because BridgeHealth is included in your benefits, your family never sees a bill.

What can Surgery Care do for you?

We're here to make the surgery process worry-free and affordable. Rest assured that you'll be matched with high-quality providers specific to your procedure. In fact, our members have **80% fewer complications** as compared to the national average.

Surgical Procedures

- Bariatric
- Cardiac
- General
- Orthopedic
- Spine
- Women's Health
- Vascular
- Neurological

Emergency, pediatric (under age 13), cosmetic, dental, diagnostic, vision and transplant procedures are not available through Surgery Care.

“Surgery Care paired me with the best doctors, staff, and facilities.”

I decided to use Surgery Care as opposed to my plan's standard medical coverage due to the procedure cost. My Care Coordinator was fabulous! She answered all of my questions and put me at ease. My doctor and his staff were exceptional!
